Bill Smith did make it. After one good drop off Bill’s gas tank came loose. His friends went into action and jacked the tank up and held it in place with a ratchet strap. Bill told me later, “the ratchet strap was doing so well he is going to leave it on”. Why not, sometimes trail fixes are the best.

Thanks to the Flansburg's the annual Dirt Devil's Holiday party was a huge success, good food, good gift exchange, good company and a mighty fine cake.

Ocotillo Wells OHV Trails

Remain Open to Users Thanks to Actions of California Off-Road Vehicle Association

After a lawsuit was filed in 2013 against the Department of Parks and Recreation seeking to eliminate cross country travel in Ocotillo Wells SVRA, the California Off-Road Vehicle Association led the way and played a pivotal role in fighting this lawsuit. On January 2nd, the court ruled in favor of the state and OHV recreation will continue unimpeded in Ocotillo Wells SVRA! The legal battle was won through the considerable efforts and direction of CORVA's attorney Jesse Barton.

Join CORVA if you have not already done so, here is proof that our CORVA funds are doing good work for us.

Big thanks to the folks at CORVA and those members of CORVA for their support.

Run reports

Calico Dec 18th 2017

15 rigs

We went up Duran and back down Odessa.

I like Duran because of the water falls we have to climb up and over. The best most challenging water fall was filled in with two feet of rocks. Making it less challenging.

Yes, that is a Toyota.

No cow bells were earned, one guest did need to use his winch in one area.

Holiday lights December 16th, 2017

We dressed up our jeeps with lights and other holiday cheer and drove through several spectacular neighborhoods. It is amazing that so many neighbors all get together and go all out. Mike Wallace is the winner of the “best dressed Jeep”.

Cowbells

The cow bell rules are: Cow bells are awarded from air down to air up. If you get stuck and are unable to move under your own power and need the help of a winch or you get strapped from one of your fellow jeeps then you have earned the privilege of hanging the cow bell from your front bumper. You must leave the cow bell on the front of your rig until another Dirt Devil gets stuck. Then you proudly hand it over. While on the trail, not on the highway to the trail.
