## Editors Message:

2019 is here and the Dirt Devils are ready, are you? The run leaders are making plans for 2019. Run announcements will be available on our web site, in this newsletter and at the meetings.

Be prepared. Check every screw, nut and bolts and hit the trail.

Guest and new members are the life blood of the club. Make guest feel welcome.

The Holiday party Run Announcement is attached. Help me keep organized by typing "DD Holiday" in the subject line.

Truck haven challenge needs volunteers show up. If Tomorrow Sunday Rob and Brandon have a run leader run meeting. Read about in the calendar section of this newsletter. If you have questions call Vinnie night or day, his phone number is on the CORVA flier on the last page of this newsletter.

For 2019 Amanda May suggested a holiday run & "kids for tots" fund raiser. Amanda volunteered to lead this event. Interested? Amanda will need 6 months to organize this event further discussion will be needed.

Dirt Devil's primary ham frequency aka DDprime is 146.510simplex.

After the January meeting we had a members only meeting to discuss by law changes. Most of the topics were approved only a few are remaining.

See you on the trail.

## Run reports

### Adopt-A-Trail

Travel time to/from AAT events is no longer counted towards AAT hours. Only time from the start of the event to the end of the event is eligible.

The OHV program is now permanent – The forest service is requesting pictures of work that is completed before and after each trail run. Pictures help the forest service to get grant money. No inappropriate pictures make sure all in attendance are wearing proper gear, ie work boots, long pants, long sleeves, hard hats, eye protection.

## Run Calendar

### Adopt a Trail meeting place

8:30am at Rocky's Roadhouse  
32150 Hilltop Blvd Running Springs, CA 92382  
next to the 76 gas station

The forest service does require an Adventure pass

## January 2019

### 13<sup>th</sup> Run Leader Training camp

Mike Wallace, Brandon Errickson, Nick and Rob

9am entrance to Holy Jim Canyon,  
33.659173, -117.585393 - copy and paste into google maps.

we put this class together to help have a better and safer run. Without our run leaders you there is no point in holding the class.

We have a lot of helpful information, helpful hints on how to lead large groups on a run as well as tips on spotting and all that good stuff.

Now for all the rest of you folks that have not quite gotten your confidence up enough to feel like you could step up and lead a run, well we want you to come out too and we will show you all the same stuff so the you can help the run leaders by being one of the DD trail bosses. We need as many people trained on how to spot, winch, tire plugging, basic trail mechanics, and yes first aid as we can get trained.

If you're not ready or just don't feel you have the time to take a leadership role in the club, this is one very important way you can help the club and help our leaders out.

Please respond to this email and let myself and Brand Ericsson know that you will be there.

The complete info on this leadership training is on our 2019 Run Calendar,

Please review it, we are holding it the training this Sunday, 1-13-19, see the run announcement for the rest of the details.

Just so everyone knows. We had to move the event to Holy Jim's Canyon Entrance. You will see us parked just off the pavement.

Bring chairs and a clipboard or something to write on and something to write with.

## 9<sup>th</sup> Stoddard Valley OHV Area

### Easy Day run & Moderate Night run

**Trail Leader:** Ray & Karen Kleinhuisen (714-300-9656)  
[raykaayy@gmail.com](mailto:raykaayy@gmail.com) RSVP to trail leader.

Trail leader is staying at a hotel in Lenwood. Dry camping is allowed anywhere in the Stoddard Valley OHV area, including the dirt area where we will meet.

### Day Run:

**Meeting Location:** From LA/OC take the 15 Fwy North to Lenwood Rd. exit. Turn right on Lenwood Rd., then left on Mercantile Way by the 76 gas station. Pull into the dirt area on the right and look for the Jeeps.

**GPS coordinates:** N 34° 50.898 , W 117° 04.866

**Meeting Time:** 8:30 am, leave for the trail at 9:00 am. There are several restaurants and gas stations in the area. Arrive early if you plan to eat before the run.

**Trail description:** The Stoddard Valley OHV is an open area for off road travel. Hundreds of trails exist in this area including the Devils Loop and Blue Moon trails that the Dirt Devils lead for Cal 4 Wheel's HDR (High Desert Roundup). This run will take participants through sandy washes, small to medium sized hills, rocky hill climbs, steep hill climbs and off camber situations. We will cross old race courses, sometimes traveling on the race course. This run will take us through some new sections and some sections that we did last year.

There will be opportunities along the trail to try more challenging obstacles. There will be more optional moderate and difficult obstacles than last year for the thrill seekers in the group.

**Trail rating:** Easy; but stock Jeeps could have minor scraps or scratches; not recommended for long wheelbase vehicles.

**Special Equipment Required:** Four wheel drive with good ground clearance and low range gears. Attachment points for tow straps are best for a safe pull out.

**Reminder to Bring:** Chair, Lunch, Water, etc.

**Night Run:** Same meet location as the day run, meet time 6:30pm.

**Trail Description:** The night run will be in the Stoddard Valley OHV area on trails that are more difficult than the day run.. We will travel through sandy washes, rocky canyons and steep hill climbs. The trail will have several rocky canyons with ledges that have steep drop-offs and rocky hill climbs with small ledges. We should be off the trail no later than 11pm.

**Night Run Trail Rating:** Moderate

**Special Equipment Required:** Night run: 33 inch tires and one locker are recommended. Off road lights are not required but are recommended.

The Mike Maneth memorial bell.

Mike was a Dirt Devil legend. Loved by all, always ready to jump in and help others. He drove a modified Bronco. He did all his own design and fabricating. It didn't hurt that he was a welder by trade. He rolled on to his side a few times and we would all pitch in and get him upright and on his way.

**The cow bell rules are:** Cow bells are awarded from air down to air up. If you get stuck and are unable to move under your own power and need the help of a winch or you get strapped from one of your fellow Dirt Devils then you have earned the privilege of hanging the cow bell from your front bumper. You must leave the cow bell on the front of your rig until another Dirt Devil gets stuck. Then you help attach the cow bell to their bumper.
