CASB249 is still alive and CASB159 passed

Our country's public lands define who we are. These are the places where we work, where we play and where we connect to our shared history—and today, some of these places are in jeopardy. The Department of the Interior is currently evaluating whether to remove or shrink 27 national monuments established by presidents from both parties since 1996, including 6 in California— **Berryessa Snow Mountain, Carrizo Plain, Giant Sequoia, Mojave Trails, Sand to Snow and San Gabriel Mountains.**

This is our moment to come together across party lines, united by our shared love for the outdoors, and **tell** Department of the Interior Secretary Ryan Zinke why our public lands need to remain open now and for future generations.

- Use your own words, the Department of Interior is looking for unique content.
- Mention a specific monument (or monuments) by name.
- Tell your story—your personal connection to the monument(s).

You know that the extremist are on a mission to close down public lands.

Saturday August 12th

Trail Organizer: Jack & Zoe

RSVP: YES, call or text 909-213-6787

Equipment Required: High ground clearance, off-road tires, low range and off-road lights required. Rock lights are recommended.

Difficulty: Trail rated 2.5 lightly moderate, due to small boulders, tippy terrain and sharp rocks on sections of the trail (note most of the trail is easy). This run is to test your off-road lights with some spectacular views of the city lights and night sky. (1=Very Easy, 5=Extreme)

Meeting Time: 6:30 *PM*. Go over rig readiness and trail plan, leave at 7:00 PM. Night run only.

Meeting Location: We will meet at Rocky's Roadhouse (32150 Hilltop Blvd, Running Springs, CA 92382) i.e. usual spot next to the 76 gas station. From there, we will drive to Polique Canyon (2N09) trail head. Then to Holcomb Valley and John Bull Flat (3N10) and then down to 3N16/Lake Baldwin.

Trail Description: Total apx. ~10 miles off road (allow 4 to 5 hours). You can expect to encounter small boulders, tippy terrain, and sharp rock on sections of the trail. The US Forest

Permits Required: Yes, Adventure Pass. \$30/yr or \$5/day, available at most local grocery/gas/ranger stations.

Difficulty: (1=Easy, 5=Most Difficult) Rated #4, the trail is 'Moderate' with a couple of 'Difficult' obstacles, (optional) rock garden, sharp rocks, steep shelves/grades and rutted roads.

Trail: Gold Mountain Trail (3N69) 12.8 Miles. This trail is officially rated 'Most Difficult' and has some challenges. We have used this trail as our training trail for the past two years and all who have attended have completed the trail with no issues. The trail affords us the opportunity to practice our terrain management skills from both a driver's as well as a spotter's perspective. The trail starts off the main highway and heads up thru some switch-backs until you reach the first of two waterfall-style obstacles. To some, this climb may look unpassable but with the expert guidance of our resident expert Don Alexander, you will be feeling as confident as a professional. The second of the two obstacles immediately follows the first and once again you will make short work of it. (Don't be surprised if we turn around and do this obstacle in reverse)

Feeling confident, we will crawl this scenic trail passing thru a optional Rock Garden to the top of Gold Mountain where we will stop for lunch and talk about the day's adventures.

16th, 17th Kids on Public Lands

Camp Conrad-Chinnock, in Barton Flats near Hwy 38 & Jenks Lake Rd East. Camp Conrad-Chinnock in the San Bernardino National Forest

What began as an idea born from a campfire conversation, KOPL has grown to become a HUGE success, year after year, thanks to the continued support of each of our volunteers and supporters. This year we again ask you to volunteer your precious time and support to help make this year's event just as special as previous years. It's because of the continued generosity of our volunteers and supporters that KIDS ON PUBLIC LAND has been so successful for so many years. Without you we would not be able to provide these wonderful kids the opportunity to experience a fun-filled day in our forest learning motorcycle and ATV safety, panning for gold, hands-on geology lesson, how to keep from getting lost with the Hug-A-Tree program and their all-time favorite, a ride in a 4x4 through the forest!

Several volunteers will be needed each day to help with tasks throughout the event including 4x4 drivers both morning and afternoon (gentlemen drive on Saturday, ladies drive on Sunday). I have attached a copy of this year's Volunteer Registration form. Please fill it out and send it back either by fax, scan & email, or snail-mail.

As always, lunch will be provided for all our volunteers. Andy and Barbara Cunningham will offer for a nominal fee, breakfast each morning, and a deliciously prepared Saturday night dinner, before the free raffle.

We're also in need of gifts for the children's goodie bags (50 boys and/or 50 girls). Examples of gifts could be pencils, pens, hats, DVD's, toy cars, combs, brushes, dental hygiene products, school supplies, books, stickers, packaged snacks, anything you think our kids might enjoy.

We also graciously request any monetary donations to help support this event. KIDS ON PUBLIC LAND is a not-for-profit event. All donations received go towards event expenses. Any dollar amount is greatly appreciated.

More details about the Kids On Public Land event can be found here: <http://www.sidekickoffroad.com/kopl.htm>

Cowbells

July 11th 2017 No changes

The cow bell rules are: Cow bells are awarded from air down to air up. If you get stuck and are unable to move under your own power and need the help of a winch or you get strapped from one of your fellow jeepers then you have earned the privilege of hanging the cow bell from your front bumper. You must leave the cow bell on the front of your rig until another Dirt Devil gets stuck. Then you proudly hand it over. While on the trail, not on the highway to the trail.
