President's Corner

During this busy time of year, it is important that we take the time to give thanks for family and friends. Although the Drifters can certainly let loose and have fun, I am grateful that we have a common interest in a wholesome outdoor activity that encourages the companionship of family and friends.

Thank you to all of the club members that dedicated their time during the busy holiday season to attend the Christmas party in San Diego, many even making a weekend of it.

2015 promises to be a good year and I am hopeful that you will make the time to attend as many meetings and runs as possible. You are what keep the club strong! CU at MA's on the 8th

November Trip Report

Soooooooo.....Got to the spot. Weather was the best we've ever had. Dunes were fresh. Sun was up and we're havin' fun.

You know those days where you stub your toe and cut yourself shaving, then step on the dog. Well, that was the first day. While grouping up at the main hill, Leah Curcio came over the first one and did a Superman off her quad. Then some new friends of Lauren got stuck in their buggy. Ricky pulled them out and bent Jen's bumper on the new sand Jeep. Soon after, I got high centered on a razor back, got pissed and then had to show everyone how you roll a new Razor, in true stink bug style, no pictures and boner flag to me. After that there was a decision made by the group to just go back to camp. Bad omen day, and we knew it. The rest of the week was Awesome. Nobody broke, except for Neil. His RZR broke down near the closure and Ricky had to pull him back via the canal road. Trevor did a booboo at Drifter Hill but was fine. Ranger danger on Thursday, no tickets. Rattle snake in my trailer on Monday. All the Jeeps were beautiful and ran good. A good time was had by all. One of the best trips of the century,

Here are some videos that we've uploaded.
