October Trip Report Kernville

This was definitely not our usual trip to Kernville. We had wind driving up until we were almost to the 395 before it finally calmed down. After we got into Rivernook and everyone got situated, Linda and Jerry treated us to a carnitas dinner and chocolate cake. On Tuesday, we celebrated Carol Peifer's birthday and Dave had pizza and salad delivered . . . and chocolate cake.

In the mornings we could see the smoke from two different fires, one north of us and the other one closer by. The fires weren't close, but the wind was carrying the smoke right into camp for most of the morning.

Some of our people who has never seen the "100 Giants", (huge redwoods), took a jeep ride up to see them. Later in the evening, Cathy and Bob cooked hot dogs. . . and we had more chocolate cake.

Thursday, we took a jeep ride up to the Ponderosa where we had lunch. Best French fries ever! The waitress told us they had fed 100+ firefighters that morning. If you are looking for a new adventure, this place is up for sale at \$500,000.00. It used to be a hunting lodge and sits on some good sized acreage. "Drifter Lodge" ??? We kept getting into smoke and then we would climb out of it again. This is always a really pretty ride, but with all the fires they have had lately and the bark beetle destroying so many trees, it really looked pretty sad.

Dave Peifer tried his hand at fishing, but there was none to be caught this year. Not even a bite. He usually catches enough for at least one breakfast. We were told later by our friend who lives there, that the guy who does the stocking, was keeping the stocking locations to himself. So No Fish!

Saturday was the car show and even this was smaller than years before and just for one day instead of two. So things seem to be changing at Kernville.

The good thing was that the water was noticeably up from the last couple of years with all the rain we have had.
