

The Gopher Trap

August 2016

MEETING TIME: First Friday of the month @6:30 PM
LOCATION: Wyandotte Grange

PRESIDENT'S REPORT

Another great weekend for the club at John & Glenda's cabin. Can't thank them enough for letting us invade them & use their accommodations.

I understand Kevin's run was great & they finally found the "Big Tree". The pictures of the tree shows it really is BIG! The run to 3 Lakes looks like it was a great trail with lots of scenery. So sorry I missed all of that but my eye was really inflamed & miserable. So glad I recovered & I could at least hang around the campfire. I did notice that the more I drank, the better my eye felt.

Looking forward to next month at Taylorsville. I love it up there & could easily stay a week. Hopefully we can go back to the areas that I didn't get to last year, but if not I am sure Kevin will find something interesting for us. (No pressure Kevin)

We had guests at our meeting, Yea! Bev & Jerry Roberson came up & Jerry went on the run with Kevin. Will he buy a Jeep, or Toyota, or ????? Time will tell. He really seemed to enjoy the 4-wheeling. (He was looking at John's jeep like he was interested)

So thought I'd throw something out there for Sat. night dinner in Taylorsville. I'd like to do a Progressive Dinner. It would be a little competitive with prizes for the best buffet table & best food on that table. We would work in teams. Sound interesting? More details at the next meeting.

I know it's ridiculously early, but we might want to think about Christmas dinner & what we may want to do.

By the way Trek registration closed 7/28 if anyone is going & hasn't registered.

See you at the next meeting. If it's HOT like last month, maybe David could go by early & start the air. Just a suggestion. We are expecting guests so we don't want to scare them away with our heat before they have even been on a run.
