PRESIDENT'S REPORT

Well this is the last letter of the year (and the last one I have to do). Yea, believe it or not, sometimes I run out of things to say.

I am picking up my Christmas tree permits Monday, hope everyone gets theirs too. I am looking forward to the day and I don't think the fire affected our cutting area. I've

already sent out the email to sign up for food and Jerry did such a good job on the chili, he gets to do it again.

So, I can't believe the fire in Paradise, Concow, Pulga and Magalia. So very tragic. Bev was working at the hospital that day and I can only imagine the stress and panic she was feeling. Kevin was already home from work but it still affected him in so many ways. I know so many people that have lost everything and I am sure you all know of many also. Several previous club members have lost their homes. We here in Oroville are very lucky that the fire didn't come our direction, but a few more days of high winds could have affected us too.

There has been so much outpouring of help for those people that were affected and it was amazing how much help came from other counties and states. I hope they had somewhat of a decent Thanksgiving, but the Christmas holidays are going to be difficult also.

Back to Christmas. Our Christmas Party is still on for the 14th with cocktails at 6:00 and dinner at 7:00. It will be at the Copa De Oro. I will ask for a sign up for those attending at the meeting and then will contact all of you in the following week with a menu. By selecting what we want ahead of time it will assure they don't run out of any special item we may want to feast on. The Copa does have wonderful food and they will allow separate checks. If you can't be at the meeting but plan to attend, let me know.

Don't forget we will be voting on new officers at the meeting, and installing them in January.

See you on the 30th.

Jackie
