## PRESIDENT'S REPORT

Well I thought last month's newsletter was the last one, but I was wrong. I forgot I'm the official president until the new one is installed at the Jan. meeting.

Great tree run this year and some of the guys did a little playing in the snow. I think we all found good trees and you can't go wrong with the chili dog lunch. Great Christmas dinner (not sure everyone had as good a dinner as others) but it was nice to be together.

So January brings Winter Fun and I know you that are going will enjoy it. My jeep is not set up for

it and it's my "try to get healthy month". That theory hasn't worked in 2018 but I do have to slow down a bit.

I am looking forward to convention and if you haven't registered yet, you can do it on-line.

Don't forget the run planning meeting at Jerry and Bev's on the 16th. I can't remember the time. We can find that out from Kevin.

So this will be Carl and Nadine's last Winter Fun. I hope they will remember all the fun times with our club. We've all enjoyed them and their enthusiasm for 4 wheeling. Good luck with your new life in

Texas ( sooooo far away)  
We'd come for a visit,  
but that's a lot of miles.

We get to meet our newest member at the meeting (I hope). He is so darn cute.

See you at the meeting.
