Thank you. Sharon Cherry

Trailmaster Report

Feather Fall Club Run, February 9.

Well our February snow run is I the books. I would say our run was blessed. We had nice weather, after Saturday's nasty rain and wind. We had all the white fluffy stuff we could handle. The snow level was near the Feather Falls town-site . Not much town left. We made it to the five way intersection near camp 18.

We took the left fork toward Cascade. There were no tracks, so Carl took the lead and broke trail. He got as far as the Cascade turn off, but the snow was getting too deep to go further without hard work for every foot.

We had lunch at a little turnout we have used before. There was much silliness and snowball fights at the lunch stop.

We headed back to town with a little snow falling.

I hope everyone enjoyed themselves.

Attendees: Carl & Nadine, Dave & Scott, John & Tom, Mike, Mary and the boys, Troy & Jody, Keith & Sharon

Next run is: **March 9. French Creek. (REVISED TO MAR 10)**

Feather Falls - February 9, 2019

Presidents Report

My first round of crud prevented me from participating on this month's run to Feather Falls and as I'm writing this, I'm recovering from round 2 of the same thing. Hopefully, it won't continue to make its rounds through my co-workers and back to me again. I heard the run was a lot of fun with some beautiful snow and weather. I'm sure Keith will provide a great report on how the run went.

Hopefully, everyone received my draft language for our Facebook page. I received a couple of emails with additional info for the page and I'd like for everyone to be able to review those as well. There were some very good suggestions which I believe will prove to be valuable additions.

May will be here before we know it and we need to move forward with our Feather Fiesta Days Parade booth. I'm sure there's a deadline and we need to act accordingly.

Unfortunately, I was unable to attend convention. I'll be looking forward to hearing about how it turned out along with all the fun.

The March run takes us into French Creek area. It's my understanding the U.S. Forest Service has repaired the severe washouts in the area. This should make for a good run and as always, a good time for us to be together.

See you all at the next meeting.

Jerry Roberson
President OGJC
